Privileges

User Role Responsibility	Privleges	Privilege Description
PUBLIC	User Edition	Ability to use Oracle Discoverer User Edition

User Role Responsibility	Privileges	Privilege Description
PUBLIC	Create/Edit Query	Ability to create new worksheets or edit existing ones. Without this option, a user only has the ability to run predefined worksheets
PUBLIC	Collect Query Statistics	Determines if running queries in Oracle Discoverer will then collect performance statistics
PUBLIC	Item Drill	Ability to use item drills, drill to related items and drill from summary to detail items (hyperdrill) within Oracle Discoverer User Edition
PUBLIC	Drill Out	Ability to drill out to launch other applications from Oracle Discoverer User Edition
PUBLIC	Grant Workbook	Ability to grant access to workbooks to other users
PUBLIC	Save Workbooks to Database	Ability to save workbooks to the database
PUBLIC	Create Link	Ability to create links in workbooks
PUBLIC	Scheduled Workbooks Tab Run Queries Online	Scheduling Repository must be enabled to run queries offline. Ability to always run queries online. Without this option, the user can only schedule the workbook.
PUBLIC	Unknown Privilege	Unknown Privilege
SYSTEM	Administration	Ability to use Oracle Discoverer Administration Edition
SYSTEM	Format Business Area	Ability to edit only the formatting information in an existing business area
SYSTEM	Create/Edit Business Area	Ability to create new business areas and edit existing ones
SYSTEM	Create Summaries	Ability to create summary tables
SYSTEM	Set Privilege	Ability to grant and revoke End User Layer (TM) privileges
SYSTEM	Manage Scheduled Workbooks	Ability to maintain the scheduled workbooks of end-users
SYSTEM	User Edition	Ability to use Oracle Discoverer User Edition
SYSTEM	Create/Edit Query	Ability to create new worksheets or edit existing ones. Without this option, a user only has the ability to run predefined worksheets
SYSTEM	Collect Query Statistics	Determines if running queries in Oracle Discoverer will then collect performance statistics
